From: Dominick Pallano Case # No. 11-CR-630 (KMK)

In Addition to my motion, I just wanted to state that I've been incarcerated for the pass (12) years. I've complete over (30) programs and (1) vocation. But under the circumstances of being in a United State Penitentiary where we are locked down inside our cells for 8 months out of a year and programs are little to none I worry on how equipped I am heading back to Society. I need help I don't have anything And I'll be homeless with know sense of direction on how to acquire housing for myself.

I'm hoping to receive more halfway time to make my transition back to Society. Successful I know that ~~social~~ drastically change in the pass 12 years and I know I need help to become successful.

Thank you for your time.
Dominick Pallano.
